ENDURANCE HIKE. Hard On Providence Soldiers-Nev Project Proposed.

Privates Edward Walker and Arthur Paine of the Third company, C. A. C. R. I. N. G., returned to Providence Monday after resting up from their hike from that city toward Danielson Saturday in an endeavor to set a marching record for foot soldlers between the two places. Private Walker covered the entire distance on foot, arriving here at 9.35. He had laft Providence at exactly 1 o'clock. He made five stops enroute, however, one of them of 45 minutes duration at Hopkins Mills and four others of ten minutes each duration. He was in fairly good condition upon arriving here, although the day was excessively hot. Walker came in by way of South Killingly, having got off the route that would have brought him in through East Killingly. Private Paine gave up the endurance sapping test at North Scituate, coming the resmalader of the way to Danielson by trolley.

A suggestion arising from the trio

A suggestion arising from the trip is that the Third company of Providence and the Thirteenth company of Danielson each leave their respective Danielson each leave their respective home stations on some day to be arranged for, march to a point half way between the two places and there engage in the practice of military tactics. Such an arrangement it is believed would prove interesting and valuable to the men of both commands.

Worked for an Unsafe and Insane Fourth. The spirit of license that some mis The spirit of license that some mistake for or recognize as bubbling patriotism was, as usual, displayed in Danielson with the coming of the early morning hours of the Fourth and this morning the victims of the fool performances are getting ready to pay the bills. A transparency at Beckley's store was smashed, a few old but fairly sood vehicles damaged, gates taken away, etc., etc., Upon Davis park an effigy was suspended from the top of the flagpole, the arrangement of the rope being such as to require that rope being such as to require that somebody make the dangerous climb to get the mannikin down. Funny stunte all of these: new ones, too.

How the People Were Amused. Vaudeville entertainments, motion picture shows, dancing and all the picture shows, dancing and all the other amusements that go to make up the usual programme at Wildwood park drew a large number from Danielson on the afternoon and evening of the Fourth. The trolley company did a good "business, although they have had much larger crowds at the resort in other years.

TWO SMALL FIRES Caused by Fourth of July Celebrators

An alarm from box 41, Bughee's corner, pulled in by Herman E. Carver at 3.27 Monday afternoon, called out the department to extinguish a patch of fire on the roof of the house in the rear of the Arcade block by both the rear of the Arcade block by Joseph Woodson. Two streams played upon the spreading flames drowned them out in a minute. The damage will be only a few dollars for shingles. The cause of the fire is uncertain: it may have been caused either by a spark from the chimney or from a small firecracker, the use of which was permitted in the city limits on the Fourth.
